V SPECS

MITIGATION TACTICS

PROTECTING BUDGETS, SAFEGUARDING DESIGN,
AND LEADING WITH SMARTER SPECS

Learn how procurement language in Division 00
sets the Owner's defence against tariff risks.

See how Division 01 operational clauses (substitutions,
cost adjustments, submittals) can control budget exposure.

Understand how Trade Sections enforce tariff
strategies at the product and performance level.

Walk away with industry-tested alternate
evaluation criteria you can implement tomorrow.

IF TARIFFS TOUCH PRODUCTS, THEY TOUCH YOUR PROJECTS. LET'S SPEC SMARTER — TOGETHER.
